

## **WELCOME TO SARANAC LAKE**

**SARANACLAKEARTWORKS.ORG**

### **Explore the Adirondack Frontier!**

The historic village of Saranac Lake, the largest within the Adirondack Park, straddles 3 towns and 2 counties - but the arts don't know any boundaries.

Most of our active members are concentrated in the Tri-Lakes area: Tupper Lake, Saranac Lake and Lake Placid, but members are creating art throughout the northern Adirondacks, from Malone, east to the Champlain Valley, Lake George and even Saratoga.

Art and nature comfortably coexist here in the Park, which provides inspiration and subject matter for the many creatives who call this area home. From painters to wood carvers, performers to authors, Saranac Lake is the "arts destination" of the

Adirondack region. The natural environment, the community and the lifestyle appeal to those who value creativity, independence, and a deep appreciation for nature. Arts and culture are a major factor in the quality of life and are often the reason families and businesses choose to make this area their home.

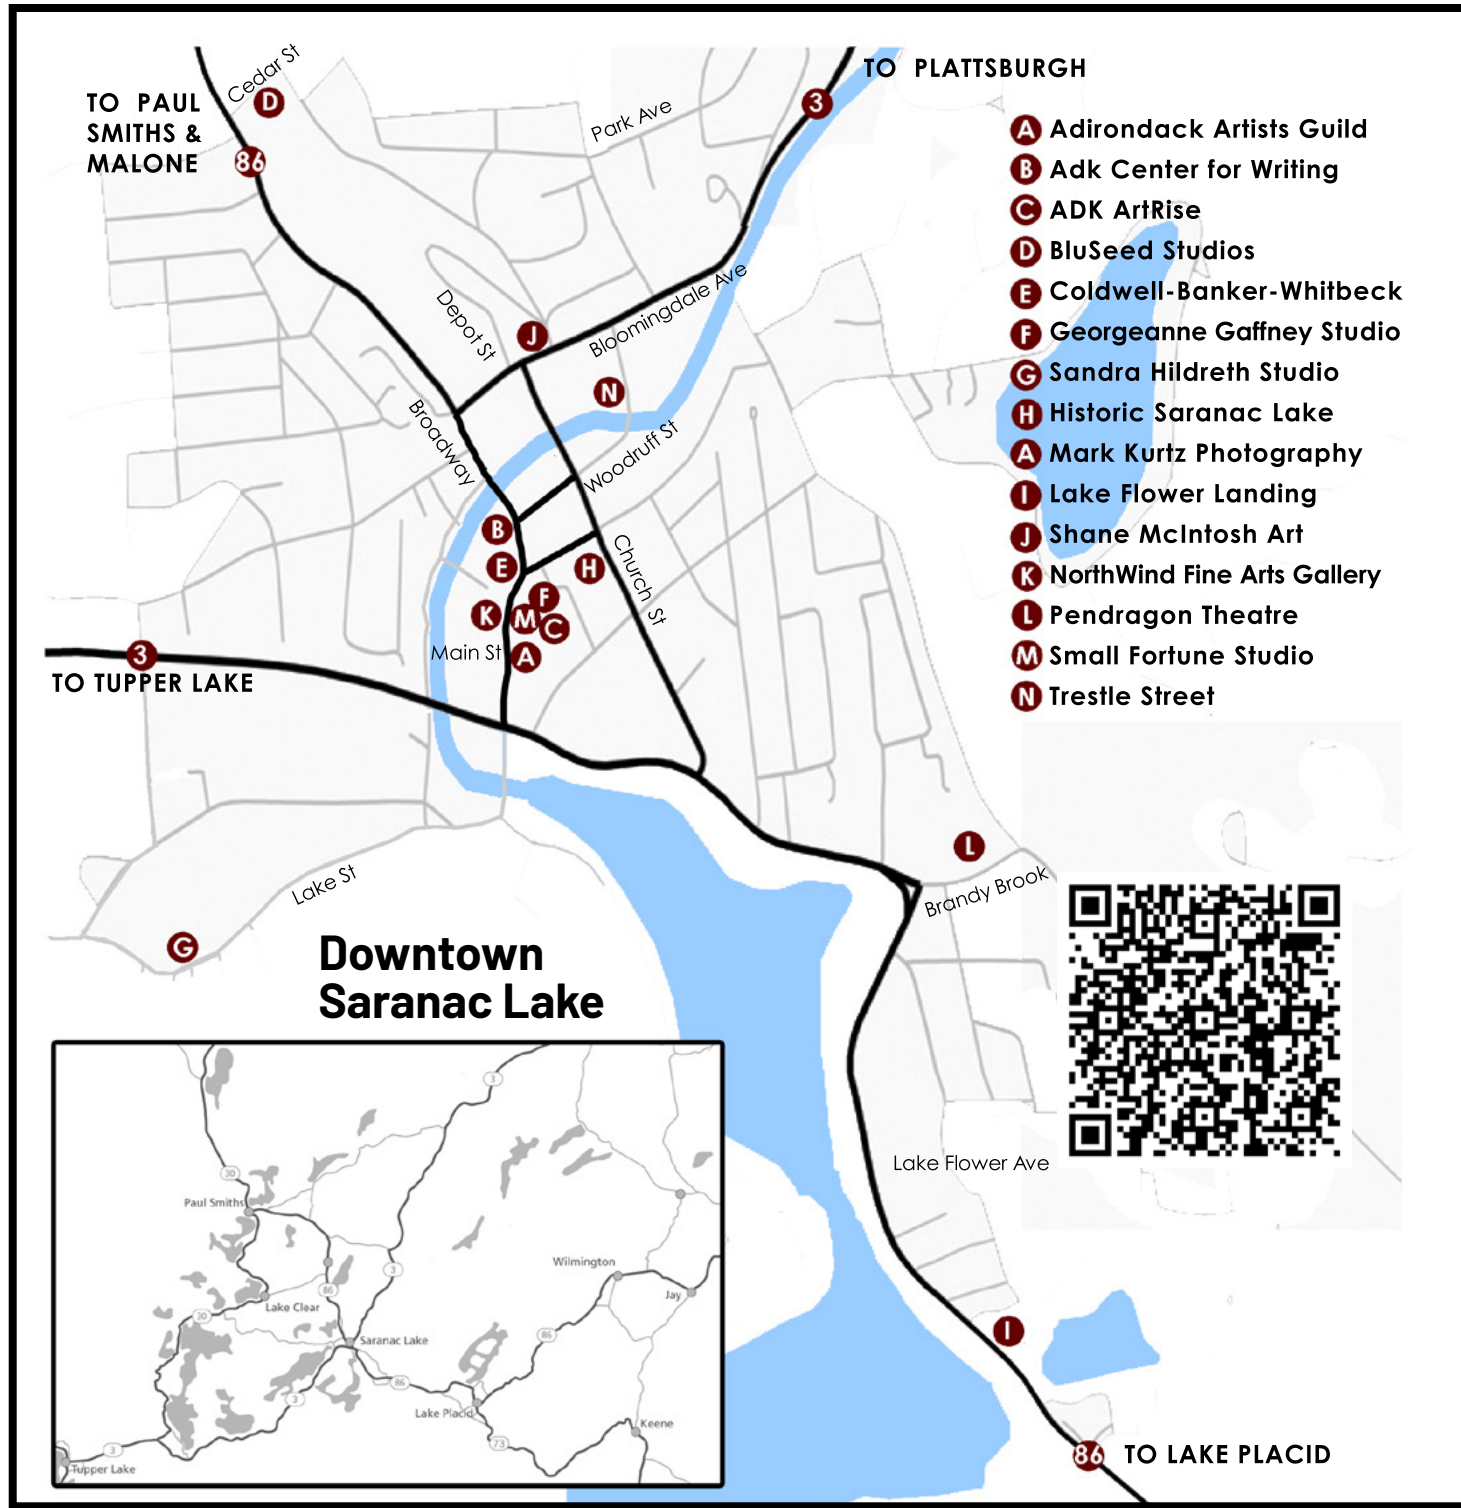

Explore art and nature with us through all the seasons of the year. Use this brochure to learn about our arts organizations, galleries, studios, and individual artists. Visit our website, [SaranacLakeArtWorks.org](http://SaranacLakeArtWorks.org) to get all the details. Plan your own studio visits, but please respect the "by appointment only" designations. Watch for information about the new Franklin County "Art Challenge"!

Visit 10 of our Galleries, Studios or Arts Organizations and earn a discount on the purchase of art or event tickets or workshop fees.

At the time of this printing, we are still working out the details, but check our website and watch for the Art Challenge Rack Cards that will explain the program. The back side provides space to get the cards stamped and dated by each venue you visit between June 1, 2024 and May 31, 2025. ## OTHER ARTWORKS EVENTS

In past years ArtWorks has organized Studio Tours, where visitors travel on their own to see and interact with artists at their private studios. We have also held outdoor ArtMarkets, where we gather a number of artisans in one of the park areas in the village of Saranac Lake. As artists, we're always seeking creative solutions for making things better! Plans for 2024 are still being reviewed, so check our website, SaranacLakeArtWorks.org, for updates throughout the year.

Most of our artist members will welcome visitors to their studios, but PLEASE respect the "open by appointment only" designations in the brochure listings. Call first!

Our member artists, galleries and organizations hold many events throughout the year - too many to list here. We have recently established a partnership with Adirondack Arts & Entertainment,

and host their comprehensive online calendar on our website. Go to SaranacLakeArtWorks.org and click on CALENDAR to see all the events going on.
